

I am still importing Jaegerleads, BT collars and leashes.
I have no regular dog collars, but have 5 sizes of Blood Tracking (BT) collars and two different BT 10 meter leads.

I have two sizes for DK or DD: 50 cm and 55 cm. The 50 cm is for medium size dogs, and the 55 cm is for large dogs.

The prices are as follows: 50Cm = \$ 52.00 and the 55cm= \$ 54.00.

The price for the 10 meter leather lead is \$ 77.00 and the 10 meter biothane (a man made material) is \$ 89.00

If you would like to place an order mail me a check. I will ship on the same day I receive the check.

Make the check out to Hans A. Klein.

My address is 247 Davis Road, Salt Point, NY 12578.

Best regards

Hans
